AGMT Knowledge-based Test – unauthorized aids

The below is a list of aids that are not allowed while taking the Knowledge-based Test (whether taken at a test facility, or Remotely Proctored)

- Wearing of any earplugs or headphones
- Looking at mobile phone/tablet
- Wearing of any clothing with the ability to hide materials i.e. hooded sweatshirt
- Accessing web pages other than the ones used to deliver the test
- Accessing other applications, such as Word/Excel or file explorer
- Textbooks or notes
- Wearing sunglasses or smart glasses (without a need to do so)
- Wearing a watch of any kind
- Vaping/smoking
- Obvious/Visible recording of exam content
- Talking to anyone outside of the room
- Recording devices

We appreciate your understanding and cooperation!

If you have any questions regarding unauthorized aids, please call us at 315-646-2234 Ext. 214 or email us at staff@agmtprogram.com
